St. Ignatius Chapel Announcement
Pentecost Sunday
19th May 2024

1. We are now inviting applications for the 2024-26 Chinese Catechism and Laity Formation class, as well as the Chinese and English Sunday Schools. Interested parties can obtain the application forms through the following methods:
 - a. Download the forms from the chapel's website: www.stignatiuschapel.org or
 - b. Contact the chapel office by Phone: (852) 2359-4407 or Fax: (852) 2780-3285 to request the forms be mailed to you.
2. The chapel is now recruiting teachers for both the Chinese and English Sunday Schools of the 2024/25 school year. Invitations are now extended to those who care about and have patience with kids to join us for this blessing activity. Those interested may register at the Chapel Office after mass.
3. We kindly request the attention and cooperation of all the parishioners attending Mass in this chapel in maintaining the sanctity and privacy of our church community. As we gather here to worship and share in the spiritual experience, we ask that you refrain from taking photos or videos inside the church unless with prior permission. Respecting the privacy of your fellow members of the congregation allows everyone to fully immerse themselves in the sacred atmosphere without distraction. Let us work together and preserve the serenity and reverence of our community.

The above announcements have been posted on the chapel website for reference.
